

SALVADOR DALI SERIES

WHAT

Decoy Art Studio, in partnership with the Greene County Board of Developmental Disabilities, is hosting a series of art classes where students will be exploring the color world of Salvador Dali. He created a wonderful surreal world full of imagination and the impossible. We will create our own surreal art world through clay, drawing, and painting. This is open to people eligible for GCBDD services, ages 13 and up.

TIME

6:00pm - 6:50pm

DATES

Monday, October 8, 2018

We will be creating our own version of Dali's melting clock in clay.

Monday, October 15, 2018

We will be creating a colorful surrealism scratch art drawing.

Monday, October 22, 2018

We will be painting our melting clocks from the first day, and will listen to soothing music to create a painting to, inspired by the surrealists "automatism" or automatic painting.
