

GREENE COUNTY BOARD OF DEVELOPMENTAL DISABILITIES

PRESENTS:

NAVIGATING THE WATERS

“An awareness series that focuses on information, management strategies and supports for behavioral issues and concerns”.

Topic: Behavior Support Strategies “Predicting, Practicing, and Developing a Plan B”: In this Webinar we will explore what environmental and other factors can play a role in triggering behavioral issues. We will also look at how to understand and Identify the function of a behavior. We will look how sensory issues can play a role in behaviors. We will look at specific behavioral concerns encountered and also look at behavioral strategies in working through some of these behavioral concerns.

This will be a virtual training Thru Go to Webinar
