GREENE COUNTY BOARD OF DEVELOPMENTAL DISABILITIES

# HIGHLIGHTS

On Saturday, July 16, 2016, Families with Unique Needs (F.U.N.) gathered for a picnic at John Bryan State Park, followed by ice cream at Young's Jersey Dairy. There were 25 people present, including children and adults from five families affected by disability. It was a beautiful day for an outing and all enjoyed spending the afternoon together and everyone pitched in to help one another and share happenings in their families. Please enjoy looking at the pictures from that fun filled Saturday afternoon. To find out more about upcoming activities, email Missi Polllock at [missipolllock@aol.com](mailto:missipolllock@aol.com) and put F.U.N. in the subject line.

The swings were a big hit!

No paper was needed to take an Ice cream order! After placing orders using Joshua Carson's arm and hand, everyone enjoyed ice cream and laughter.
