

# **COVID-19 (Coronavirus) Educational Resources**

## **Videos and Informational Documents for People Served and Families**

To help county boards of developmental disabilities prepare their communities for COVID-19, OACB has prepared this evolving list of resources. Please note that this document does not contain original OACB content, and all resources should be cited accordingly if used for public purposes. If you have a resource to add to this list, send it to [covid19@oacbdd.org](mailto:covid19@oacbdd.org).

### **General Information Resources**

#### **[Coronavirus.ohio.gov](https://coronavirus.ohio.gov) (Website, General Information)**

**Source:** Ohio Department of Health
