

You're invited to a **Virtual Provider Fair** for **NEW Non-Medical Transportation** (NMT) service providers!

When: Wednesday, May 12, 2021

Times: 9:00 a.m. or 6:00 p.m.

Where: Zoom

We have super exciting news! You have two ***NEW*** choices for transportation providers who can get you to and from your job!

Both Toward Independence and Greene Inc. are now willing to help you with this service. Join us for a virtual NMT Provider Fair to hear from each of the agencies about how they can support you, and get your questions about their services answered.

Please send an e-mail to providers@greenedd.org if you are interested in participating (please specify which time), and we will send you a link to join us. If you are unable to join us through Zoom on this date, please let us know. We're excited to see you there!
